President's Report

Welcome Back! (again?)

Fellow HAMs, we are finally (and again?) returning to in-person meetings. As the pandemic numbers remain low, and government requirements relax, we are happy to invite everyone to join our April meeting in-person at the Harding Community Center, masks will NOT be required based on current guidelines if you are vaccinated.

Please be prepared for this to be a social meeting, less of a "presentation" and more of "participation". Bring your HTs, directional antenna, laptop or tablet with software, and a snack to share if you wish!

Looking forward to seeing all of you either in-person or via the Zoom link (we think it will work better this time, but the program will definitely be geared more towards in-person participation!)

Thanks and 73 de K6JPE
